

Application No. 10/657,607

REMARKS

Claims 1-8, 10, 12-31 and 33-36 are pending. By this Amendment, claims 1, 17, 26 and 35 are amended. The Amendments to claims 1, 17, 26 and 35 are supported by the specification at, for example, originally filed claim 9. No new matter is introduced by the present Amendment. Additionally, Applicants assume that the Amendment of November 30, 2005 and the Examiner's Amendment of February 16, 2006 have been entered.

Applicants are filing this amendment to correct the wording of claims 1, 17, 26 and 35. During an interview with the Examiner on February 16, 2006, the undersigned indicated that the concentration language of claim 9 can be added to claims 1, 17, 26 and 35. For clarity, the present Amendment, cancels the Examiner's Amendment with respect to claims 1, 17, 26 and 35, and inserts the concentration language of claim 9 at the end of claims 1, 17, 26 and 35.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,
